Dear Dr. McAllister:

I would like to personally take this opportunity to thank you for the generous check in the amount of \$1,000 in support of the FASEB Conference on Cellular and Molecular Genetics which I am Chairing in August of 1990. We feel that the Conference will be a very successful one due to generous support like yours which enables us to bring together the top people in the field to work together to further our research efforts.

Again, with thanks and best wishes.

Yours sincerely,

P.S. I have forwarded a copy of your letter to the FASEB Office regarding registration for a representative from your organization.
